

Sign up for a DTX Studio™ Clinic Starter License

1

Go to go.dtxstudio.com. If you have no DTX Studio account yet, click on **Sign up**.

2

Fill in the required information and click **Sign up**.

3

You will receive an e-mail (no-reply@dtxstudio.com) to confirm the creation of your account. Click on **Go to DTX Studio Go**.

4

Fill in the requested details and click **Create account** to start creating a DTX Studio Go account.

5

Your DTX Studio Go account is now created. Click **Back to login page**.

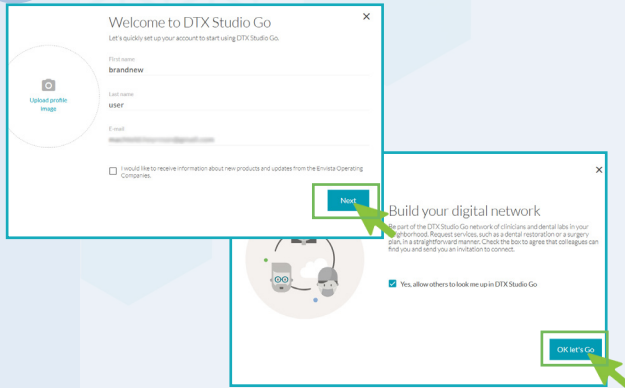

6

Log in with your chosen user name and password. Click **Log in**.

Sign up for a DTX Studio™ Clinic Starter License

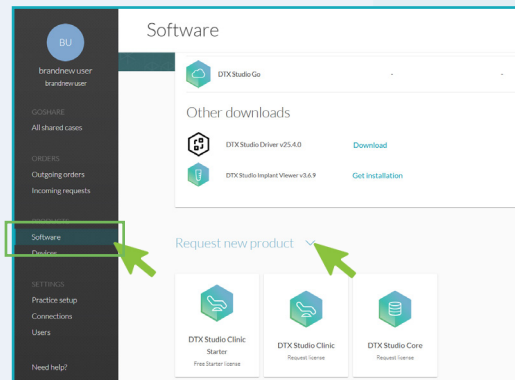

7

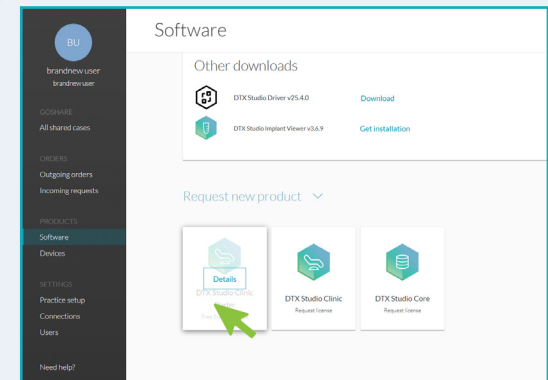

Follow the steps to customize your DTX Studio Go account. Click **Next**. Then click **Ok let's Go**.

8

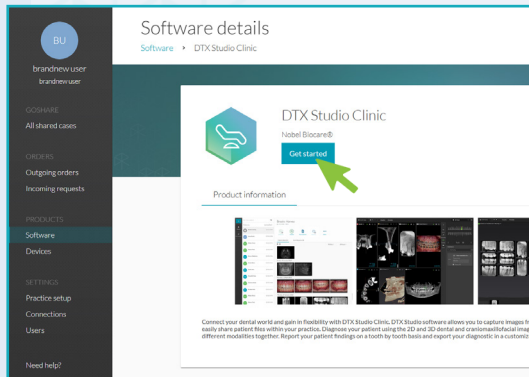

1. In the left sidebar, click **Software**.
2. Click on the drop-down arrow next to **Request new product** if no product tiles are shown.

9

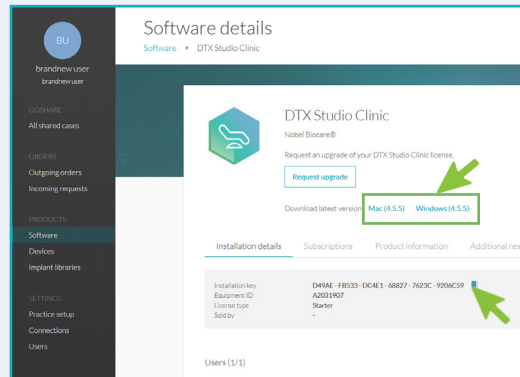

Click on **DTX Studio Clinic Starter Free Starter License**.

10

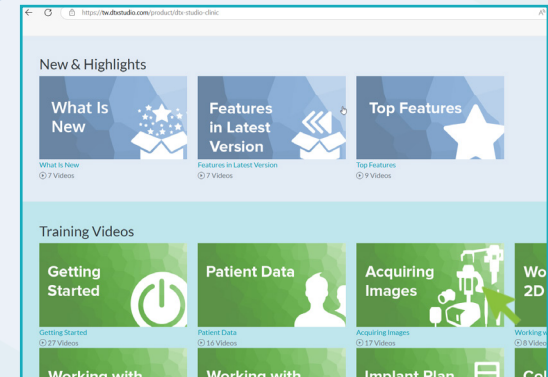

Click **Get Started**. This will take you to the DTX Studio Clinic Installation details.

11

Click **Mac** or **Windows** to download the proper latest version. Copy the installation key from this page. You will need it during installation.

12

If you need further help with the installation, you can turn to the DTX Studio Clinic **Getting started** section on our training website [tw.dtxstudio.com](https://www.dtxstudio.com).
